DETAILED REGULATION PLAN WORKING ZONE STAJKOVCE AND GLOŽANE

DRP

COMPLETED

The Detailed Regulation Plan should enable faster economic development of the municipality and shorten the procedure for selecting an adequate location for domestic and foreign investors, particularly those engaged in agriculture production. Through the development of the plan, covering an area of 60ha, the Working zone Stajkovce and Gložane should receive infrastructural equipment and provide conditions for business operation of 50 small and medium-sized enterprises that can employ 1,000 to 1,500 new workers.

PROVISION OF A BACK-UP SERVER FOR THE E-PERMITTING SYSTEM

E-permitting

COMPLETED

Improvement of the electronic system for the issuance of building permits through the provision of a back-up server, which will enhance its stability and availability for over 6,500 users that benefit from it every day. Server and network equipment were procured through the project, as well as necessary licences. The aim of this activity was to contribute to the creation of a more favourable business environment by improving the efficiency and transparency of the e-government and, ultimately, to new investments. At the same time, citizens' trust in institutions, as well as the quality of services that are being offered through the e-government will also be enhanced.
